Dear Mr. Campbell:

To follow up on my e-mail dated June 5, 2012, I have completed a review of any email correspondence between David Terrell and a list of email addresses between May 1, 2012 and June 1, 2012. I have attached the correspondence from that time frame which is subject to disclosure under the Access to Public Records Act.

The majority of the emails you have requested concern negotiations between the IEDC and a private commercial prospect and were created in the progress of negotiations. Under the Indiana Access to Public Records Act, Indiana Code § 5-14-3, records relating to negotiations by the IEDC are expressly excepted from disclosure. Indiana Code § 5-14-3-4.5; *see also* Indiana Code § 5-14-3-4(a)(4) and (5); Indiana Code § 5-14-3-4(b)(5) and (7). Only the "terms of the final offer of public financial resources" are subject to disclosure. Indiana Code § 5-14-3-4.5(b).

A small number of emails requested are records that are intra-agency or interagency deliberative materials that are communicated for the purpose of decision making, and are excepted from disclosure. Indiana Code § 5-14-3-4(b)(6).

If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

S. Kyleen Welling, Chief Operating Officer and General Counsel
